

## LOCK AND DAM TEAM KALSOMINED

### "RUS" HASKEW PITCHES IN GREAT FORM

Game Last Friday Marked With Sensational Plays—A Large Crowd Out—Baumgartner Hits Homer.

It was a beauty, and, with but one exception—the fifteen-inning, no-run game here in 1907 between the locals and the Chattanooga High School team—was the finest game ever played in this city. Many sensational plays, long runs after line drivers and quick double plays, made this the most interesting game of the season, and one that will long be remembered, especially by the team from the Lock and Dam.

The game started at a few minutes past three o'clock with Haskeew on the mound for the locals, and his work was extraordinary, completely mystifying the opposition, and at no time was he really in danger of being scored on. He only gave up three hits and struck out fourteen batters. Only one man ever reached third, and it was here that Haskeew really displayed that he was complete master of the situation by striking out the next two batters up and causing the third one to pop out to the infield. Haskeew has only been playing ball on the local team two years and this makes the third game pitched in that time, two of them being shutouts.

Every man on the local team played jam-up baseball, not an error being chalked up against

them, although S. Scharer at first failed to get his man after E. Scharer had returned the ball from deep center for a double. The throw was a long one and the fact that the runner was returning to first and collided with Scharer prevented a pretty double play. Scharer's dropping the throw did not cost anything as the next man up hit into a double-play that was beautifully executed by P. Scharer and Johnson.

A. Bostain, who was on the mound for the visitors, went good until the fourth and then the locals found him for enough hits, assisted by some errors, to score two runs. Then in the fifth the bombardment opened up for good. Two singles in succession by Smith and Armstrong followed with a two-bagger by E. Scharer and a wild throw from right field netted the locals three more runs. Here was where

Bostain, the southpaw, was chased and one Lathrop ascended the mound, and the first offering was met squarely on the end by Baumgartner for a drive over right field fence, with a runner on first, netting two more runs. After that Lathrop was a mystery and the run-getting ended.

#### NOTES ON THE GAME.

A tripple play quickly executed by P. Scharer to Johnson to S. Scharer with no outs, undoubtedly kept Haskeew from being scored on. Two nice double plays were also pulled off in big league style by P. and S. Scharer and Johnson.

Smith behind the stick for the locals received the best game of his career and his pegging to second was never so good, and demonstrated that there is big league material lurking in his old carcass.

The work of Norris as umpire was of the best and showed that he had a thorough knowledge of the national game.

One of the large steaboats from the Lock came to this city with 219 fans on board who witnessed the game and the support of their favorites never ceased even in the face of ignominious defeat. Of the number on board the boat, possibly one-third were of the gentler sex.

Manager Gould has collected one of the best teams in this section, and the fact they could not score in this game does not mean that they were easy—far from it. They were in the game at all times and played consistently, but Haskeew, it must be remembered, was on the mound, and the other players were there determined to win that game.

Baumgartner's homer in the fifth was a nice one, clearing the right field fence several feet.

The crowd accompanying the team from the Dam was one of the most orderly ever assembled in this city for a like occasion, and swelled by an hundred or more from this city constituted a record crowd for several seasons at a game here.

Negotiations are pending for a return game with the Lock and Dam team on their grounds. The date will be decided upon at an early day and announced so that a large crowd will have the opportunity of accompanying the locals.

While every man on the local team deserves special mention for the excellent game played, it was Johnson on second that starred. The way he pranced around that bag reminded us of the season of 1897, when he was on third for South Pittsburg. He accepted every chance, and they were many, and some very hard ones, without an error.

The boys from the Lock and Dam conducted themselves while in our city, both on and off the baseball grounds, in a gentlemanly manner and made many friends here who are very anxious for them to return for another game.

#### W. C. T. U. Lecture.

Mrs. Vie H. Campbell, of Evansville, Wis., Organizer and Lecturer of the National W. C. T. U., lectured to a moderate sized audience at the Southern Methodist Church last night, and the lecture was well received. She will lecture again tonight along the line of law enforcement and as this is the paramount issue in this state and town it will be of special interest, and should be well attended by all citizens who are at all interested in the enforcement of law. Mrs. Campbell will organize a local W. C. T. U. in this city, and it is badly needed. There is much work here that an organization of that nature alone can do, and the ladies should become intensely interested in the matter.

## DOWN AROUND THE DIXIE PLANT

### RECEPTION AT DIXIE INN FRIDAY NIGHT

Mr. C. C. Boyd Buys Business of Richard City Livery Co., And Puts Mr. Ben Braden In Charge.

Preparations are being made for a reception which will be given at the Dixie Inn tonight in honor of the seven new brides and grooms of Richard City. The reception will open with a speech by Mr. Richard Hardy, and something good is expected by all who anticipate attending. After this the lobby and dining hall will be turned over to the trippers of the light fantastic toe. The boys are looking forward to this event with much pleasure and anticipation.

C. C. Boyd has purchased the entire stock of the Richard City Livery Co., and is putting in more stock and buggies and getting the entire outfit in good working order and will be ready to serve the trade with special accommodations. When in need of a good, safe rig, with a good, safe driver, step to the telephone and call either No. 36 or 171-2. Mr. Ben Braden, who has been with Thos. Jarrett, one of the liverymen at South Pittsburg, has been placed in charge. Mr. Braden is an excellent man for the place, he having had years of experience in handling stock.

Ervin Faris is confined to his room with malarial fever.

Capt. R. W. Faris has returned to his old post as chief of police of Richard City.

Tom Norton, of the firm of Rogers-Bailey Hardware Co., was a visitor in the city the first of the week.

Mr. Atchison, general agent of the Standard Oil Co., was in the city one day this week.

Mr. George Millin was a caller in the city one day this week.

W. L. Pearson has resigned his position in the purchasing depart-

ment and has gone to Chattanooga to take a position with the Cincinnati Railway Co.

Alton Faris has gone to Murfreesboro, Tenn., for a short vacation with relatives there and at other places in Rutherford county.

Mr. and Mrs. C. C. Boyd will leave Monday for Macon, Ga., and other points. They will attend the reunion at Macon.

Arch Boyd, of Scooba, Miss., is visiting his brother, C. C. Boyd, at Bridgeport.

#### Death of Miss Hilda Wright.

News was received Wednesday by the friends of the family of the death of Miss Hilda Wright at Atlanta, Ga., where she had been taken for an operation for appendicitis. Miss Hilda was the daughter of Rev. and Mrs. C. T. Wright, of Albany, Ga. Rev. Mr. Wright at one time, as will be remembered by many, was rector of Christ (Episcopal) Church at this place. Miss Hilda was the oldest child, and both she and her parents have visited here several times since they moved away. Miss Hilda was lively and a very charming young lady, bright vivacious, winning, and a great favorite with those who had the privilege of meeting her. The blow to the family is a grievous one and the sympathy of their many friends and acquaintances will be with them in their sorrow.

#### Opening of Baseball Park.

Tomorrow the people at Jasper will formally open their recently completed baseball park. A general holiday has been declared by the interested ones at that place and a large crowd of folks will be in attendance. The baseball game in the afternoon between Jasper and South Pittsburg will be the main feature of the festivities, although the program has some numbers that will interest all who attend. A brass band has been secured to discourse music throughout the day, and the parade at one o'clock will be led by the band. Everybody there is requested to get into the parade and help swell the procession. It is hoped that as many as can possibly do so will go from this place and help the baseball team win that game. Plenty of eatables will be there and all are promised a good time.

## MARION DEMOCRATS INSTRUCT FOR HARMON

### IN LIVELY CONVENTION HELD AT JASPER

Convention Very Harmonious One—All Questions That Came Up for Discussion Settled Unanimously.

Pursuant to a call made by the Chairman, W. M. Cameron, of the County Democratic Executive Committee, the democrats met in convention at Jasper last Saturday and held a business meeting of general interest to every democrat in the county who is the least interested in who they want to represent them in the state and national government.

The convention was called to order at one o'clock in the court house and was organized by electing A. L. Roberson chairman, and L. R. Darr, secretary, both temporary and permanent.

The following were appointed to select the delegates to the state convention at Nashville on May 15: W. M. Cameron, A. L. Roberson and W. E. Hoge. The following were appointed as a committee on resolutions: A. S. Kelly, S. H. Alexander and W. E. Carter.

The question of the new Executive Committee was brought before the convention and on motion of W. E. Carter and seconded by W. M. Cameron, the list of delegates to the state convention was made the new executive committee and A. L. Roberson was elected chairman and L. R. Darr, secretary. Mr. Carter also had included in this motion which passed, that any number of the executive committee present at any meeting of same would constitute a quorum for the transaction of business.

The convention unanimously endorsed Gov. Harmon, of Ohio, for president, Judge A. S. Buchanan, of Memphis, to succeed himself on the state supreme court bench, and Felix Moore, of Union City, for the court of Civil Appeals, and the delegates were instructed to cast the vote of the county for these gentlemen respectively. L. M. Coleman and T. L. Stewart were endorsed for delegates from the Third Congressional District, and S. H. Alexander as delegate-at-large to the national convention which meets at Baltimore in June, and instructed for Gov. Harmon.

The convention was very harmonious and all questions that came up for discussion were settled unanimously.

#### Resolutions Instructing Delegates to State Convention.

We, the democrats of Marion County, in mass convention assembled, recognize in Gov. Harmon, of Ohio, our party's safest and sanest leader. A man, who, in his long business and political career, has demonstrated these eminent qualifications of mind and heart capable of making an illustrious chief executive of our great nation.

Therefore, we hereby instruct our delegates to the state convention, and all other conventions selecting delegates to the national convention, to cast their vote for delegates to the national democratic convention who are pledged to do all in their power to effect the nomination of Governor Harmon as the democratic standard-bearer in the coming presidential election.

Recognizing in Judges A. S. Buchanan, of Memphis, and Felix Moore, of Union City, democratic citizens and lawyers of high ability,

we hereby instruct our delegates to the state convention at Nashville on May 15th, to cast their vote for the nomination of Judge Buchanan to succeed himself on the state supreme court bench and for the nomination of Judge Moore for the court of civil appeals.

Believing that the best interests of the party in both state and national elections this year will be subserved by allowing the democratic electorate to choose their standard bearers at the polls, we therefore instruct our delegates to the state convention to use their votes and influence in securing the calling of a state-wide primary on the same day as the August election this year for the selection of candidates for governor and railroad commissioner in East Tennessee, and all other state officers.

We endorse the candidacies of L. M. Coleman and T. L. Stewart for delegates to the national democratic convention to carry out their instructions from the Third district, and S. H. Alexander from the state at large.

All delegates are instructed to vote as a unit on all questions.

A. S. KELLY, Jr., Chm.  
S. H. ALEXANDER,  
W. E. CARTER,  
Committee.

#### Report of Committee on Delegates.
